THE ATHENAEUM
JANUARY 1943
BARRINGER HIGH SCHOOL
NEWARK, NEW JERSEY

FOREWORD

The four years wherein we have had the pleasure and privilege of being a vital part of the greatness and the tradition for which Barringer stands, have come to a close. At this point, we, the class of January 1943, wish to pause and draw a comparison. The leaves of the mighty oak, having attained their strength and maturity, drop off to be scattered out into the world on the eddying swirls of the wind. So, too, it is with us. And now as we face the world of today, with all its insecurity and darkness, there is in our hearts and minds the spirit of confidence—confidence that in that world we will find our place, for we know our place is there. With this thought as its guiding force and with our sincere wish that it will record all the things Barringer has meant to us, we present this book.

DEDICATION

To the ideals of our democracy which have made possible a life we would never have known without them, humbly, and with hope, we dedicate this book.

ADMINISTRATORS

TO THE CLASS OF JANUARY 1943

A world at war challenges you. The opportunities to be of service call for the best that you have to give. Barringer expects each one of you to make a maximum contribution. You make the world aware of the values of a sound and fundamental education. You have had the kind of education that will win the war and insure the building of a better world order.

You have participated in the processes of democracy. You have learned to work together harmoniously and with understanding. You have gained an appreciation of the contributions of many cultures. You have learned to value highly the cultural heritage of the ages. You are prepared to make these basic appreciations of the democratic spirit more universal.

You are worthy representatives of Barringer.

I wish you success.

TO THE CLASS OF JANUARY, 1943

As you leave your high school to go into a world at war, may you go forth with courage and determination to be of service to our country. Whether your service takes you to the far corners of the globe or keeps you in your community, I trust that everyone of you will take advantage of every opportunity to further your education and to broaden your horizons to the end that you may continue to serve this country in the days of peace that are to come.

"B" MEN

EDWARD BRUNO

Baseball Manager

"Ed" began his managerial job in 1941 as assistant of the "Big Blue" baseball team. He proved to be both a helpful and encouraging assistant. "Ed" was elected manager in 1942 and proved to be even more helpful. The members of the baseball team felt the profits of his fine work and awarded him the major "B."

ROCCO CERATO

Football

The "Vulture" came out for football in his junior year. Because of his size and weight, he immediately won a position as an end. The big six footer and one hundred and eighty pounder did not receive his varsity letter because of his lack of experience. But in his senior year Rocco was first team alternate and proved to be both a good defensive and offensive player at left end. For his talents Rocco received his varsity letter.

ROCCO CERVASIO

Football

"Rocky" started his athletic career in 1939. During this year he won a position as starting end of the Freshman team and was also elected captain. In his sophomore year, through his great pass receiving, "Rocky" won a position as varsity end. When a junior, he received a gold football for being on the all city championship team. In his senior year, "Rocky" played his usual good game and proved himself to be a great player, winning his gold football for being on the City Championship team.

NICHOLAS COMMISA

Football

One of our better known "B" boys is "Nick" Commisa. "Nick" began his great football career in his sophomore year. For his excellent playing at left guard, "Nick" was rewarded with a major "B" in 1940, '41 and '42. Be-

"B" MEN

cause of his good work on the team and his sportsmanship, "Nick" was elected co-captain of our "great Barringer eleven" in '42. Our co-captain made All-City in '41 and received two gold footballs for being on the City Championship team of '41 and '42.

JOSEPH DE LIA

Football

"Joe" came out for football in his junior year. Due to his great line plunging and his left handed passing, he won a position on the varsity team. "Joe's" great team work and fine playing on the football field won him his major "B." This season, through his great open field running and fine blocking ability, "Joe" is due to win himself an All-City backfield berth.

MARIO DE MARCO

Football

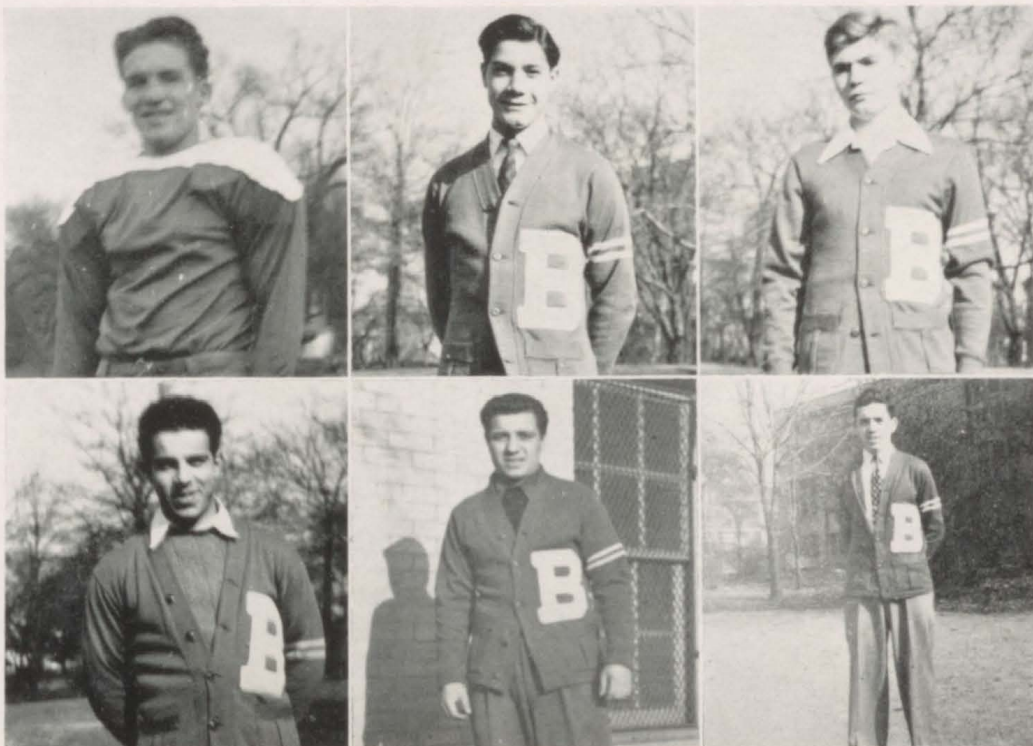

Mario, better known to his friends as "De," came out for football in his sophomore year. Through his excellent blocking, he won himself a position on the varsity squad. In his junior year "De" received a gold football for being

on the All City Championship team. His great work as passer and his excellent blocking gave him the backfield berth on the All City team. As a senior, "De" carried the brunt of the backfield and did most of the kicking, signal calling and passing, winning for the second time his gold football for being on the City Championship team.

LARRY DE ROGATIS

Football

Larry "De" went out for football in his sophomore year. He instantly caught the eye of the coach with his bullet passes and his great line plunging. These talents won him a position on the varsity team. Though an injury kept him out for the rest of the season Larry came back in his junior year and played a great game at his backfield position. During that year he was awarded a gold football for being on the City Championship team. As a senior, he has repeatedly turned in a brilliant performance on the gridiron. In '42 Larry received his second gold football.

"B" MEN

PATRICK ESPOSITO

Track

Unfortunately for us, "Pat" didn't begin his track career until his senior year. He began his running during the indoor season so as to get the needed experience and proved to be up with the best of them. During the outdoor season, "Pat" also showed his ability as a broad-jumper. He placed second to Jimmy Wadley in two of our meets. For his excellent work, "Pat" won his well earned major "B."

WILBERT HAMEL

Track

Wilbert, better known as "Bill," is another of our famed "B" boys. "Bill" earned his major "B" in his sophomore year while on the track team. He received a gold medal for taking first place in the 120 yard Junior low hurdles in the City Championship meet. "Bill" has proven a very valuable track man in his stay at Barringer.

ROBERT ILARIA

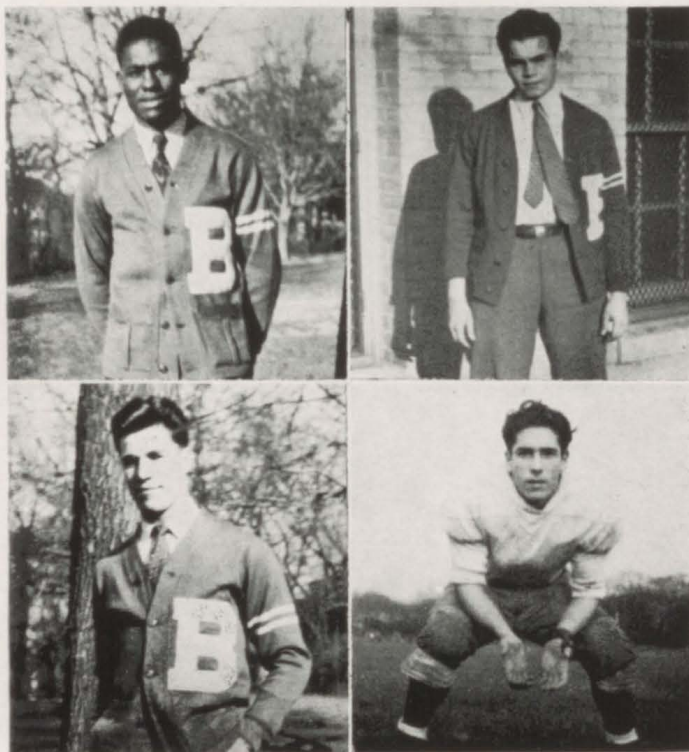

Baseball

"Bob" started his baseball career in 1940. Because of his ability as a catcher he participated in half of the varsity games, thus winning his minor letter. In '41 "Bob" became straight varsity man winning his first major letter. His good work and splendid sportsmanship won him the election of captain in '42. At this time he was shifted from catcher to the outfield because of an injury. "Bob" won the base stealing title with 24 stolen bases and a position on the all county and all city teams. To top it all he was voted the most valuable player of '42. "Bob" has well earned his minor and two major letters.

ERNEST LARDIERI

Football

The "Barrel" first went out for football in his freshman year. During that year "Ernie" won his numerals. In '41 Mr.

Allen saw his possibilities and made him a substitute tackle. This was done in order to give him that much needed experience. In 1942 "Ernie" was awarded his major "B" for playing a "bang up" season as reserve tackle.

ROSS LOVINGTON

Tennis

Tennis is Ross's game. Like everything else Ross undertakes, he did a good job. Anyone will vouch for his ability in a game of tennis. In 1941 Ross was rewarded for his excellent playing by receiving a major "B." Our "B" boy also went out for football in his freshman year. For this he received his numerals.

JAMES MILLER

Baseball

"Jimmy" started twirling for the Barringer baseball team in 1941. He showed much promise for a fine possibility for the varsity berth the next year. "Jim" received his major "B" in '42 after a splendid pitching season. He has also demonstrated athletic ability on the track field winning two minor letters for high jumping. "Jim" has proved to be a very valuable man to Barringer High on the athletic field.

MARCUS POLIFRONI

Football

"Marky" first went out for football in

his junior year. Playing center he proved to be an excellent player. He soon won himself a position on the varsity squad. Because of his good work Marcus won his minor "B." It was during 1942, Marcus's senior year, that he received his major "B." Marcus has proved through his continuous performance his great worth to the Barringer Eleven.

FRANK TEDESCO

Baseball

"Whisper" Tedesco began his baseball career in 1940. Frank tried for the position of catcher but also proved to be a very capable outfielder. Both in '40 and '41 Frank received his experience and was also awarded his two minor letters. In '42 Frank became a varsity player where his catching ability and peppy out-felding won him his hard earned varsity letter.

ANDY VERDUCCI

Football

"Rugged Andy" came out for football in his junior year. His great running and his great blocking won him a position on the varsity squad. "Andy" was destined for great honors that year but, hampered by a knee injury which he received in the first game of the season, he was unable to play for the remainder of that season. This year "Andy" played a great defensive as well as offensive game and did a great deal in winning for Barringer the City Championship.

CLASS SONG

*With hearts aglow, and misted eye,
We come at last, to say "Goodbye";
Farewell to things we love and know;
A passing smile as sad, we go.
The indecisive step is gone.
We tread in strength, and not alone
The Path of Life, uncharted course,
To trace it to its mighty source!*

*Our Alma Mater's flag unfurled,
Our heritage, a war-torn world.
As forth we go in honor bright,
Our task designed to lift the night.
May always she be proud and glad
She sent us forth in courage clad;
Our Alma Mater, wise and true,
From whom spring life, and hope anew.*
